Eid mubarak!

Welcome back from the holidays.

It has been a wonderful week back in school with fantastic learning opportunities for our children. Today, we enjoyed celebrating Eid together in our celebration clothes, at our Eid workshop and enjoying a special Eid meal. Please do ensure children are well-rested this weekend, so that they are focused and ready for learning next week. As you can see below, we have a lot going on in school.

This week was the last week of the block of clubs that started last term.

Next week, new clubs start, and your child will have received a letter informing them about this.

Spotlight on reading

Our expectation is for all children to read regularly at home and last term we saw a significant improvement in home reading. Well done to all the families who have supported this. Classes with over 75% from last term are now shopping for their £100's worth of books!

Reading has dipped this week, but we are confident that this is down to family celebrations, and everyone will be back on track next week.

A new competition is coming soon!
