

St Benedict's Illness and School Attendance

You can come to school if...

- Cough
- Cold- Runny nose
- Sore Throat
- Feeling tired
- Minor headache
- Ear Ache
- Tooth ache

We will keep an eye on your child and call you if there are any changes.

Come to School and take advice if...

- Ring worm (seek medical advice can return to school once treatment has started)
- Head Lice (Can return to school once treatment has started- and must inform Class Teacher)
- Sore eyes (seek medical advice)
- Slightly raised temperature but below 38 degrees
- Rash on the body (Seek medical advice)

School will call you to collect your child if their condition deteriorates.

Stay at home and visit your GP if...

- Raised Temperature above 38 degrees
- Vomiting (keep off school for 24 hours)
- Diarrhoea (Keep off school for 48 hours)
- Chicken Pox (Absent for 5 days until spots have scabbed over)

Please inform school for everyday of absence to avoid an unauthorised mark.
