

Class: Reception

Home Projects for Spring Term 2

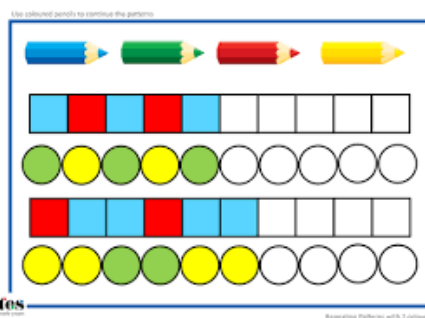

If you would like to explore some of your learning from this half term at home, have a go at completing some of the activities below. We would love for you to bring anything you make or do into Reception to share with the rest of your class!

Communication and Language

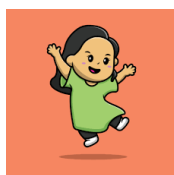

We have been reading the story of Little Red Riding Hood! Ask your child to tell you the story and see if they can draw or write about a part that they remember. Bring your creation into school to show to your teachers on Monday!

Maths

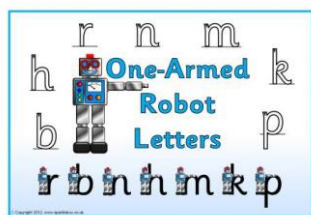

This half term, we have been learning about pattern. Help your child to have a go at making their own patterns!

Physical Development

We are practising letter formation of the following letters:

r, b, n, h, m, k, p

[Practise the One Armed Robot Letter Family!](#)

Knowledge and understanding the World

We are learning about springtime in Reception. Can you go outside and look for signs of Spring? Look in the sky, how many birds can you see? Look on the ground, can you see any flowers or plants growing? Draw a picture to show us what you find or write a list of what you see! Don't forget to look out for creepy crawlies too! Bring your creation into school to show to your teachers!

PSED

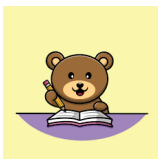

This half term we are thinking about manners. Talk to your child about times when they might say 'Please', 'Thankyou', 'Excuse me' or 'Sorry'.

Expressive Art and Design

This half term we are learning about Easter. I wonder if you could draw and decorate your own Easter egg picture? I wonder what colours you will use and what kind of patterns you will put on it? Bring your creation into school to show to your teachers!

Literacy

Which fairy tale is your favourite? Can you make new front cover of your favourite story? Bring it in to show your teachers at school!
