

Year 1 Spring 2 Homework

Our Homework is split into 3 sections:

Daily Tasks
Weekly Tasks
Topic Menu

Children must complete the Daily Tasks on every school day.

Weekly tasks must be completed every week.

Children can then choose one item off the Topic Menu per week to complete.

This homework sheet, spelling list and the Maths tasks are uploaded onto the google classroom at the start of each half term.

Parents must sign the homework sheet every week and ensure homework books are returned to school on Thursdays..

This allows teachers time to give verbal feedback to children in class and then books come home again on Fridays.

Good examples of homework will be shared in class and celebrated in assemblies.

Daily Tasks

- Read your phonics books for at least 15 minutes
- Practice writing your name everyday
- Common Exception word pack—practise everyday

Weekly Tasks

- Practice writing letter formation every week
- Practice counting back and forwards to 20

Topic Menu

Choose one activity per week to complete.

There will be spare tasks left over so you do not need to complete them all.

Display your learning in your Home Learning Journal.

Free Pass—this can be used once per half term.
