

Literacy

- Retelling 'The Hungry Caterpillar' using a text map.
- Drawing minibeasts we find on a hunt.
- Recording lifecycles.

How to help your child at home:

- Look at books together,
- Talk about the pictures and encourage your child to retell the story after.

Maths

- Counting to 10 and beyond,
- Recognising numbers around us,
- Counting legs on minibeasts,
- Talking about more or less.

How to help your child at home:

- Find some numbers when you are out shopping with your child,
- Go into the garden or to the park and count how many birds, spiders, ants you can see.

Communication & Language

- Talking about what food tastes like.
- Asking questions about living things.
- Learning names of mini beasts.

How to help at home:

- Ask your child lots of questions when you are out and about.
- Whilst you are eating, ask them how the food tastes and what it feels like.

Personal Social & Emotional

- Continue to build our relationships and play.
- Taking steps to resolve conflicts and find a compromise.

How to help your child at home:

- Encourage your child to talk about how they feel.
- Remind children to share toys and take turns.

Understanding the World

- Tasting foods,
- Making fruit kebabs.
- Exploring lifecycles of the butterfly.

How to help your child at home:

- Encourage your child to taste different foods and talk about them.
- Talk about bugs you see in the garden.

Physical Development

- Fine motor - name writing, drawing and painting.
- Gross motor - throwing, catching and balancing.

How to help your child at home:

- Encourage your child to draw, write and use scissors.
- Take them to the park to climb, balance and run.

Expressive Arts & Design

- Creating food using various materials.
- Using tools confidently.
- Lots of singing and role play.

How to help at home:

- Sing songs with your child.
- Engage in lots of pretend play.
