

Year 6
Week beginning
Friday 10th March 2023

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

Maths

Translating simple shapes

In this lesson, we will learn to describe translation of coordinates and shapes and then translate shapes on a coordinate grid.

<https://classroom.thenational.academy/lessons/translating-simple-shapes-6hjpai>

You need to know your times tables so you can recall them rapidly! Use TTRS to learn them up to the 12 x tables.

Work on the times tables that you find the hardest.

Spelling. Punctuation and Grammar

To explore non-finite subordinate clauses

In this lesson, we will develop our knowledge of non-finite subordinate clauses. We will then practise writing some complex sentences which can be used in our letter writing.

Reading

Log in to your Bug Club account using the password given to you at school. Read the books that have been set for you and answer the questions as you go along. How many coins can you earn?
