Class: Year 4 Week Beginning: 11.1.2021

Monday	Maths
,	Mrs Siddiq/ Mr Smith:
	Subtracting by partitioning
	In this lesson, we will learn to subtract by partitioning a whole into parts.
	Mrs Matharu:
	Exploring Number Sense
	Today, we are going to link and apply known facts using number sense.
	Mrs Mc Call's maths group:
	Applying-and-consolidating-related-number-facts-and-appropriate-strategies
	In this lesson, we will be applying and consolidating our knowledge of deriving related number
	facts and most efficient strategies for calculating addition and subtraction equations by
	recapping key learning and applying our learning to answer different questions.
	Mr Annetts maths group:
	Subtracting from multiples of 1000
	In this lesson, we will be exploring how to calculate from a multiple of 1000.
	Phonics
	Mrs Siddiq/Mr Smith's phonic group:
	ng sound
	Mr Annetts Phonics group:
	Phase 5 Phonics: The 'oe' sound
	Spelling
	To explore conjunctions
	In this lesson, children will explore joining or coordinating conjunctions used in compound
	sentences. They will identify the two main clauses, the verbs and the coordinating conjunctions
	in compound sentences. They will look at the difference between 'but' 'and' and 'or' and
	discover when it is appropriate to use each one. Finally, they will write some compound
	sentences using coordinating conjunctions.
	Writing
	Mrs Siddiq/Mr Smith and Mr Annetts:
	To find key information in the text: The Ice Witch
	In this lesson we are going to read about the Ice Witch together and find key information.
	Mrs Matharu and Mrs Mc Call:
	To develop a rich understanding of words associated with water
	In this lesson, we will introduce new vocabulary, identify word pairs and synonyms and apply
	the vocabulary in sentences.
	Foundation Subject

	P.E with Joe
	Join Joe wicks at 9am for his live PE Lesson
	PE with Joe
Tuesday	Maths
,	Mrs Siddiq/ Mr Smith:
	Counting back in ones to subtract
	In this lesson, we will practice subtracting by counting back in ones. We will do this with the
	support of a number line.
	Mrs Matharu:
	Deriving New Facts From Number Bonds (Part 1)
	Today, we are going to investigate and find new facts from number bonds.
	Mrs Mc Call's maths group:
	Adding-using-the-column-method
	In this lesson, we will be using the column method to add two four digit numbers where
	regrouping is required in one column.
	Mr Annetts maths group:
	Representing One-Step Word Problems
	In this lesson, we will be using bar models to represent addition and subtraction one-step word
	problems.
	Phonics
	Mrs Siddiq/Mr Smith's phonic group:
	ng sound and reading words
	Mr Annetts Phonics group:
	Phase 5 Phonics: The 'au' sound
	Spelling
	To revise our understanding of simple, compound and complex sentences
	In this grammar lesson, we will revise the different sentence types: simple, compound and
	complex. We will practise coordinating and subordinating conjunctions and play a sentence
	building game to check what we know. If these grammar terms are unfamiliar, or you need some
	more practice, please check back to earlier lessons on simple, compound and complex
	sentences.
	Writing
	Mrs Siddiq/Mr Smith and Mr Annetts:
	To box up for purpose
	In this lesson we are going to plan our information text about our very own witch by boxing up
	our information.
	Mrs Matharu and Mrs Mc Call:
	To learn about the Anglerfish and their appearance
	In this lesson, we will learn about anglerfish and their appearance. We will read a text and make
	notes by identifying the key information.
	Foundation Subject
	Topic Lesson 4
	How did the Romans Conquer Britain?
	In this lesson we will learn about how the Romans conquered Britain. We will begin by looking at
	why Emperor Claudius chose to invade Britain and the key differences between the Roman and
	Celtic armies. Finally, we will look at how the Romans built towns and cities across Britain.
Wodporday	Maths
Wednesday	ואומנווס

	Mrs Siddig/ Mr Smith:
	Linking subtraction equations to problem solving contexts
	This lesson will explore how subtraction can be linked to problem solving contexts. We will be
	applying the previously learnt strategies to solve problems.
	Mrs Matharu:
	Number names
	Today we are going to investigate the links between numbers and their names.
	Mrs Mc Call's maths group:
	Adding-using-the-column-method-when-multiple-columns-require-regrouping
	In this lesson, we will be using the column method to add two four digit numbers where
	regrouping is required in multiple columns.
	Mr Annetts maths group:
	Representing Comparison Word Problems
	In this lesson, we will be using comparison bar models to represent addition and subtraction
	one-step word problems.
	Phonics
	Mrs Siddiq/Mr Smith's phonic group:
	learning to read words
	Mr Annetts Phonics group:
	Phase 5 Phonics: The 'ey' Sound
	Writing
	Mrs Siddiq/Mr Smith and Mr Annetts:
	To identify features of an information text
	In this lesson we will read all about the Desert Witch and identify features of an information text
	to help us with our own writing.
	Mrs Matharu and Mrs Mc Call:
	To practise and apply knowledge of suffixes: Past and present tense, including a test
	In this lesson, we will be practising and applying knowledge of suffixes, past and present tense.
	Foundation Subject
	P.E with Joe
	Join Joe wicks at 9am for his live PE Lesson
	PE with Joe
	<u>PE with Joe</u>
	DE Losson 1
	RE Lesson 1
	Christianity
	Where do Christians Worship?
	In this lesson, we will learning about the church – the place of worship in Christianity.
	You will learn about the features of a church and also look at two very famous churches
	in England.
Thursday	Maths
	Mrs Siddiq/ Mr Smith:
	Recognising the relationship between addition and subtraction
	This lesson will explore how addition and subtraction are linked, and how a part whole
	relationship can produce related facts.
	Mrs Matharu:
	Recognising the value of each digit in a 2 digit number
	Today we are going to recognise the value of each digit in a 2-digit number.
	Mrs Mc Call's maths group:

[Subtracting using the column method
	Subtracting-using-the-column-method In this lesson, we will be using the column method to subtract two four digit numbers where
	regrouping is required in one column.
	Mr Annetts maths group:
	Solving Two-Step Word Problems
	In this lesson, we will be using bar models to represent two-step addition and subtraction word
	problems.
	Phonics
	Mrs Siddiq/Mr Smith's phonic group:
	Review of the week
	Mr Annetts Phonics group:
	Phase 5 Phonics: Split digraph 'a-e'
	Writing
	Mrs Siddiq/Mr Smith and Mr Annetts:
	To write an information text (Part 1)
	In this lesson we will introduce our witch and explain what they look like.
	Mrs Matharu and Mrs Mc Call:
	To practise using formal conjunctions
	In this lesson we will learn about formal conjunctions. We will practise using them to link
	sentences together.
	Foundation Subject
	Topic Lesson 5
	Why did Boudicca lead a revolt against the Romans?
	In this lesson we will learn about why Boudicca lead a revolt against the Romans. We will begin
	by looking at who the Iceni tribe were and then look at how the Romans responded to the death
	of the Iceni King. Finally, we will find out how Boudicca fought back against the Romans.
Friday	Matha
Friday	Maths Nava Sidelia (Nav Savitha

combinations. The children will then have a go at contracting and uncontracting words where
apostrophes are used.
Writing
Mrs Siddiq/Mr Smith and Mr Annetts:
To write an information text (Part 2)
In this lesson we will write about where our witch lives and what their home is like.
Mrs Matharu and Mrs Mc Call:
To write the opening paragraph of a non-chronological report

Topic Lesson 6
How did the Romans change Britain?
In this lesson we will learn about how the Romans changed Britain. We will begin by looking at
how the Romans built roads and then look at how they introduced new methods to keep their
towns and cities clean. Finally, we will explore how the Romans governed Britain.
