

Year 6
Week beginning
Friday 17th February
2023

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

Maths

Translating simple shapes

In this lesson, we will learn to describe translation of coordinates and shapes and then translate shapes on a coordinate grid.

<https://classroom.thenational.academy/lessons/translating-simple-shapes-6hjpat>

You need to know your times tables so you can recall them rapidly! Use TTRS to learn them up to the 12 x tables.

Work on the times tables that you find the hardest.

Spelling, Punctuation and Grammar

To explore the functions of a colon

In this lesson, we will practise using parentheses in the three forms (brackets, dashes and commas). Then we will explore why we use colons in writing and its uses.
