

Year 6
Week beginning
Friday 17th March 2023

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

Maths

Find the value of missing angles

In this lesson, we will be studying angles. We will use algebra and bar models to represent problems and calculate missing angles.

<https://classroom.thenational.academy/lessons/find-the-value-of-missing-angles-6cr3je>

You need to know your times tables so you can recall them rapidly! Use TTRS to learn them up to the 12 x tables.

Work on the times tables that you find the hardest.

Spelling. Punctuation and Grammar

To practise and apply knowledge of homophones, including test

In this lesson, we will recap what a homophone is, revisit the 10 spelling words set and learn a spelling practise strategy. The 10 spelling words will also be tested at the end.
