

Year 5
Week Beginning 2.2.23

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

Maths

5A and 5H

L2 Factor Pairs

In this lesson, we will be learning how to work systematically to identify the correct number of factors and factor pairs for given numbers, using the notion of factor bugs to help us. We will then develop our learning further by proving that square numbers have an odd number of factors.

Mrs Haider's Group

L7 Applying rounding for estimating (adding)

In this lesson, we will build on our knowledge of the 10 times table in order to estimate by rounding. We will do this to answer addition questions.

<https://classroom.thenational.academy/lessons/applying-rounding-for-estimating-adding-65j62r>

Remember to practice your times tables every day!

If you do not have a login please ask the class teacher.

Spelling. Punctuation and Grammar

5H and 5A

L1: To investigate C making soft and hard sounds

In this lesson, we will investigate the difference between a soft and hard c, exploring the vowels that usually follow a soft c and the vowels that follow a hard c.
