

Year 6
Week beginning
Friday 20th January
2023

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

Maths

Use ratio to express relationships

In this lesson, we will use ratio to express relationships. We will create mathematical statements to explain proportion in different patterns using ratios.

<https://classroom.thenational.academy/lessons/use-ratio-to-express-relationships-70tpad>

You need to know your times tables so you can recall them rapidly! Use TTRS to learn them up to the 12 x tables.

Work on the times tables that you find the hardest.

Spelling. Punctuation and Grammar

To explore modal verbs

In this lesson, we will begin by revising some spelling rules. We will then revise word class. In the main part of the lesson we will develop our knowledge of modal verbs and then apply that new knowledge through a number of activities.

Reading

Log in to your Bug Club account using the password given to you at school. Read the books that have been set for you and answer the questions as you go along. How many coins can you earn?
