

**Year 5**  
**Week Beginning**  
**21.4.23**

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

5A and 5H

### **L10 Long multiplication**

In this lesson, we will explore area models using Dienes blocks to represent multiplication. This is connected to the steps involved in long multiplication and we will then gain experience with the formal algorithm.
