

**Year 6**  
**Week beginning**  
**Friday 23<sup>rd</sup> September**  
**2022**

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

**Maths**

**Rounding to a required degree of accuracy**

- In this lesson, we will consider why estimates and rounding might be useful. We will explore rounding 7-digit numbers to the nearest multiple of 100,000 with varying degrees of accuracy.

You need to know your times tables so you can recall them rapidly! Use TTRS to learn them up to the 12 x tables.

This weekend practise your 7's, 8's and 9's as you will be tested on these next week.
