

# St Benedict's Primary School

## Home Learning

Explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

**Class:** 4LM

**Week Beginning:** 23.11.2020

### MATHS

#### **Mrs Matharu's Maths Group:**

Spotting patterns in the 2, 5 and 10 multiplication tables

In this lesson you will explore the patterns within and across the multiplication tables of 2, 5 and 10.

[Spotting patterns in 2, 5 and 10 times tables](#)

#### **Mrs McCall's Maths Group:**

Representing the seven times table

Today we will be looking at a range of representations for multiplications in the seven times table before creating our own concrete, pictorial and abstract representations. We will also briefly introduce commutative law when using written multiplication equations.

#### **Mr Annetts' Maths Group:**

Deriving addition and subtraction facts

In this lesson, we will be deriving addition and subtraction facts by using part whole models to show how related facts can be derived from scaling up by 10, 100 or 1000.

 [Practice your times tables every day!](#)

## SPELLING, PUNCTUATION AND GRAMMAR

### To practise writing speech

In this lesson, you will be introduced to speech punctuation. You will look at the punctuation needed and how it should be laid out. You will have a go at punctuating speech from the Aladdin clip.
