If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

Maths

Solve problems involving the use of percentages for comparison

In this lesson, we will be solving problems involving the use of percentages for comparison.

Spelling. Punctuation and Grammar

To practise and apply knowledge of suffixes: -ial, including test

In this lesson, we will recap the rules associated with adding the suffix -ial, look at words that are exceptions to the rules and learn a spelling practice strategy. The 10 spelling words set in the previous lesson will be revisited and tested.
