

**Year 6**  
**Week beginning**  
**Friday 28<sup>th</sup> April 2023**

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

### Maths

#### **Fractions: Solve fraction problems with the four operations**

In this lesson, we will revise calculating with fractions using the four operations and then apply this to word problems.

<https://classroom.thenational.academy/lessons/fractions-solve-fraction-problems-with-the-four-operations-cgrk0d>

You need to know your times tables so you can recall them rapidly! Use TTRS to learn them up to the 12 x tables.

### **Spelling. Punctuation and Grammar**

#### **To develop our knowledge of determiners**

In this lesson, we will look at what determiners are in general. We will identify determiners within a paragraph and insert the appropriate determiners in sentences.

### **Reading**

Log in to your Bug Club account using the password given to you at school. Read the books that have been set for you and answer the questions as you go along. How many coins can you earn?
