

**Year 5**  
**Week Beginning 3.3.23**

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

5A and 5H

**L5 Multiplying and dividing by 10, 100, 1000**

In this lesson, we will be required to explain and demonstrate the process of multiplication and division by 10, 100 and 1000 using different visual representations. This understanding will then enable us to derive facts from known multiplication facts which we can represent and explain. The expectation is that by the end of this lesson we will be confidently able to explain and demonstrate how to multiply and divide by 10, 100 and 1000.

Mrs Haider's Group

**L10 Adding two 3-digit numbers (regrouping in one column)**

In this lesson, we will look at using column addition when a number requires regrouping in more than one column when adding.

If you do not have a login please ask the class teacher.

**Spelling. Punctuation and Grammar**

5H and 5A

**L2: To practise and apply knowledge of Greek etymology: 'ch' 'ph' and 'sc' spellings, including test**

In this lesson, we will apply and practise knowledge of Greek etymology and the sounds made by the letter patterns 'ch', 'ph' and 'sc' in words. We will use a fun and creative spelling strategy to help us remember spellings before a test at the end of the lesson.
