

Class: 3B and 3G
Week Beginning :
6/1/2023

If you would like to explore some of your learning from this week at home, just click on the links below. We hope you will enjoy these opportunities!

Maths

Year 3

[Using bar models to represent known times tables](#)

In this lesson, we will compare arrays and bar models, and use them as ways of visualising multiplication questions. We will use bar models to help us solve multiplication problems.

Mrs Saraj's group

[Using the multiplication symbol](#)

In this lesson, we will recap multiplication as repeated addition. We will also describe arrays using the multiplication symbol.

Remember to practice your times tables every day!

[Times Table Rockstars](#)

**Spelling, Grammar
and Punctuation**

[To explore conjunctions](#)

In this lesson, we will explore joining or coordinating conjunctions used in compound sentences. We will identify the two main clauses, the verbs and the coordinating conjunctions in compound sentences. We will look at the difference between 'but' 'and' and 'or' and discover when it is appropriate to use each one.

Reading

[bug club](#)

Read a book of your choice. Bug Club Bug Club Click on the link and use the logins on your book mark Username: (see book marker) ask the class teacher if you have not received this Password: bugclub Code: cl7x
