Ramadan begins for many families this weekend.

Ramadan Mubarak! May this holy month bring you peace, blessings, and an abundance of joy.

If your child is in Year 5 or 6 and is fasting, please ensure you have completed the consent form and returned it to school.

Sublime Science are in school for the day on Tuesday for an exciting whole school assembly and then workshops for Y2, 3 and 4

World Book Day

We will be celebrating World Book Day on **Thursday 6th March.**

We would love your child to dress up as a book character. Please see the information and costume ideas on the letter sent home yesterday about world book day. Your child has been given a book token. Take this to your local bookshop or supermarket and exchange it for a **free £1 book**, or for £1 off another book. You can use your £1 Book Token from 15th February until 31st March.

We are proud to belong to St. Benedict's!

We are very proud to belong to St. Benedict's and are working hard to make the school building and site look as good as possible. You may have noticed some recent changes to the entrance near the Reception class and the alleyway to Heather Road.

In the coming months there will be more work going on to install our new library and the playground toilets are being refurbished. We are also working with Birmingham City Council on a project to have a new boiler system fitted but it will not be a quick job. In the meantime, the temporary boiler will remain on the courtyard.

Please help to keep our school site looking clean and tidy by not dropping any litter.

Your support is invaluable in making our school a real community. Around 90% of parents came for parents' meetings this week, which is a real improvement.

This shows your level of commitment to our children and school. Thank you!
