Science

Question of the week: What is DNA?

Scientist of the Month: Elizabeth Magie

Please support your child to do research for the question of the week and the scientist of the month. Lots of information can be found online as well as the links provided on the PowerPoints on our website under science.

Spring Arts Festival

Article 29

Your education should help you use and develop your talents and abilities.

Article 31

You have the right to join in with cultural and artistic activities.

This year, we are very excited to run our Spring Art Festival as an opportunity to showcase the beautiful cultures present in our school. The festival is confirmed for **Wednesday 2nd April**.

For the art festival, we have a full programme planned that will celebrate several different festivals from around the world.

There will be:

- Circus Skills in Small Hall
- Music and Art Exhibition in Big Hall
- Bangla New Year procession outside.
- Club Performances starting at 1.30pm
- Ceilidh (community) Dance at 2.30pm
- Arts activities in classrooms start at 1.30pm.
- Food available in dinner hall. **Please remember to bring cash** to buy cakes, drinks and hot food.

Children will need to be **collected promptly at 1pm**, in order for the festival to start at 1.15pm. The fun packed afternoon will run until 3:30pm. For safety reasons, it is important to remember that you must keep your children with you at all times.

The children will have a stamp card to fill as they complete art activities in the classrooms. They can then enter a competition to win a fabulous art prize.

We look forward to seeing you all at this amazing event!
