Breakfast Club

Our Breakfast Club is open every day from 8am and is free!
Children who come to breakfast club love the food and time with their friends.
Parents say it helps get to children to school on time and saves them money too!
If your child is interested, pop in and speak to the office staff.

Science Exhibition and Fair

Our Science Fair will be held in the last week of term: Monday July 14th. This will be a great opportunity to come into school to have fun with your children.
More details will follow after the holiday for how children can enter into the science exhibition or art competition.

Eid al Adha

We know many families will start celebrating Eid al Adha on either 6th or 7th June. Once the date is confirmed, we will send out information about school opening and celebrations.

Our Eid Mela is planned for Wednesday 11th June at 1pm.
This will be a fun-filled afternoon for the whole school community.

Upcoming dates

There are lots of exciting events taking place next term.

Dates are subject to change so please do keep an eye of the newsletter and our noticeboard each week.

Remember, holidays must not be booked during term time.

Children will not want to miss out on a day in school!
