We're so proud of you all—enjoy this exciting step in your journey!

### School communication

The School Gateway is our way of sending messages and for parents to make payments.

The App is now working, and you should have received messages from us on the App.

If you have not received the messages, please speak to the office for help.

## Uniform

There is a growing call from charities and organisations for schools to introduce an ACTIVE uniform in schools. We are considering this and would like to get the views of parents and children in our school.

### What is an ACTIVE uniform?

An ACTIVE uniform encourages children to take part in more physical activity in the day. This would be similar to our PE kit, but children would wear this everyday:

- Black trainers
- Black (or grey) jogging bottoms or PE shorts
- Red T shirt
- Red jumper or fleece

### What do you think?

Parents have your say by filling in this short survey.

### What happens next?

We will ask children for their views next week in school.

If parents, children and teachers are in favour we may consider introducing an option to wear an Active uniform from September.

## Summer Reminders!

As the weather is going to be hot again next week, please remember to help your child stay safe and comfortable at school:

**Water Bottles** – Make sure your child brings a filled water bottle every day.

**Suncream** – Apply suncream before school.

**Hats** – A sunhat is essential for outdoor play.

**On PE days** - Only black trainers are allowed – no other colours, please.

Don't forget **book bags** every day!

Thank you for your continued support!
