Celebrations!

We had a great time celebrating this week in school... Eid, Easter, Vaisakhi and Bangla New Year. On Tuesday and Wednesday, Circus Mash gave us a real treat and the children loved sharing their circus skills with parents too. We hope you enjoyed the spring arts festival! It was great to come together as a community. It has been great to hear your positive feedback on this and we always take on board your ideas for how to improve further. If you have not left us any feedback, please scan the QR code here to do so.

Attendance

We made the decision to close school on Monday and know that many families appreciated the extra day to celebrate together. We put a lot of thought into making the rest of the week in school as enjoyable as possible for our children, continuing the celebrations.

It was disappointing that so many families then took an extra day off on Tuesday. This absence is unauthorised and many families will now face legal action. 5 or more unauthorised absences in a year results in legal action.
