Medical Students

This week we had 4 Medical Students working with us on placement. They would like to give the following message:

This week we had an amazing time with all the students. We started off our week spending time with the lovely children in the inclusion hub and reception learning through play. We then went into year 6 and got them thinking about career choices. Finally, we ended the week with year 3 teaching them about first aid. We had a lovely week; we wish all the children at St Benedict's the best and our message to them is they can achieve anything when they put their minds to it!

Jack, Simran, Rose, Shruti

Rights Respecting School

On Tuesday, our **Rethink Food group** had a great time selling surplus food, donated by the local supermarkets. They raised an impressive £110 for Schools of Sanctuary, who support refugee children and their families.

Refugee Week

Next week is Refugee Week and the children will be learning about Article 22 (refugee children). On Tuesday, along with 1000s of others across the country, the children will be taking part in the **Great Big Live Assembly**. As well as discovering refugee stories and statistics, part of the assembly will be transmitted live from a refugee camp.

Curriculum

Reception had an amazing time on their trip to Cannon Hill park. Members of the public commented on their excellent behaviour!

The **Inclusion Hub** children were very excited to return to Summerfield Stables this week to restart their weekly horse-riding lessons. The children will be learning how to care for the horses and animals at the stable and will be learning to ride the ponies and horses over the next few weeks.

Our new lunch time **Gardeners** started their roles last week and they have been fantastic, working sensibly and independently in the garden. They have been busy weeding the strawberry beds, restocking the bird feeders and watering our beans, peas and tomatoes.

Year 6 Football tournament – our year 6 team took part in their first competition this week and were such a credit to the school with their sportsmanship and conduct both on and off the pitch.

Year 4 have been having great fun learning how to play the glockenspiel.
