Enjoying our rights, fulfilling our dreams. Ambition, Resilience, Respect.

Messages from Mrs. Nott

What a fantastic half-term we have had!

Our children continue to impress us with their ambition, resilience and respect! The increased number of exciting learning opportunities has led to increased motivation and engagement in learning. Attendance has also shown improvements recently too. We are very proud to serve our local community.

Next half term

As you can see, next half term is due to be action-packed with visitors, events and trips. Pupils really cannot afford to miss out on any learning time, and we expect attendance to further improve next term.

Stay and Play

Every Monday morning, Miss Wilson continues to run a stay and play session for parents and pre-school children. This is now very well attended. There is no need to book – just turn up once you have dropped your children off.

Adult English classes

Back by popular demand! We know many parents very much enjoyed our adult English classes and so Miss Rabanni is continuing these on Wednesday mornings next half term.

Collecting children at the end of the day

Some parents are becoming increasingly late collecting children from school. This must stop as it is unfair and upsetting for your children. It is also unfair on staff who are delayed with looking after your children.
