## Messages from Mrs Nott

It has been another busy week with a lot happening in school!

We had a **Science Review day** on Monday, and I was so impressed with quality of science learning taking place. We have several budding scientists!

Thank you for your generosity with donating so much **chocolate for the Summer Mela**. We are all really looking forward to this event and raising money for our School Fund.

Our **Year One performance** this morning was wonderful, and we are so grateful for the support from families. We do ask that during events such as this, parents must ensure they follow instructions to be quiet during a performance and not to be using mobile phones or taking photographs. There are opportunities for photographs at the end of all performances.

We have a busy final few weeks of term and I do hope your children are in school every day for the wonderful opportunities here.

## Attendance

Congratulations to **3B** for **100%** attendance this week well done.

**Punctuality – children MUST be in school by 8.45a.m.** Please ensure you are leaving for school with enough time to park your car and arrive at your child's door.

If you know you will be late, please contact the office to let us know so we can mark the register accordingly. You must bring your child to the office doors to ensure they are registered.

Please be aware that children arriving late will be marked as an (L) or a (U) unauthorised absence, these marks can lead to a fine being issued by the Local Authority.

'**Breakfast Club**' will be launching in September 2023. If you are interested in registering your child, please come and fill in a form at the office. Breakfast Club is there to support with attendance and punctuality, provide a healthy breakfast and give children the opportunity to socialise with friends.

## School Uniform

**From September, we will have strict expectations for school uniform.** Please do ensure your child has the correct uniform and shoes.

If your child has grown out of their school uniform, this can be donated to our Uniform Bank, via the school office.

The last two days of term (24th and 25th July) will be non-uniform days. This is an idea time to wash and donate spare uniform.

## Article of the Week

## *Rights Respecting School*

**Article 31 (leisure, play and culture)** Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

**This week, in the Votes for Schools lesson, children explored these questions on:**

Are we safe in the Sun?
