

Year 1 Summer Term
What will we learn this term?

English

List Poems: Children will be reading and learning a poem, gathering ideas for their own poem, then writing and performing their poems.

Maths

Division: We will practice grouping equally, saying how many groups we have and how many are in each group.

Fractions: We will begin to learn about half and quarter.

Numbers to 100: we will order and compare numbers and say what each digit in a number represents.

Time: We will learn how to tell the time to o'clock and half past.

Science

Plants: This project teaches children about wild and garden plants by exploring the local environment. They identify and describe the basic parts of plants and observe how they change over time.

Computing

Computing Systems and Networks And Technology All Around Us

Children will develop their understanding of technology and how it can help them. They will become more familiar with the different components of a computer by developing their keyboard and mouse skills, and also start to consider how to use technology responsibly

History

School Days: Children will learn all about St Benedict's Primary School in the past. They will compare schooling in the Victorian era to their experiences today.

Art

Street View: This project teaches children about artwork depicting streets and buildings and focuses on the work of the American pop artist, James Rizzi. They create a 3-D mural based on Rizzi's work.

PE

1Dh and 1M have PE every **Wednesday**.

RE

Being Hopeful and Visionary
Remembering Roots

PSHE

Celebrating Difference: We learn and celebrate how we are all different.

Music

Hey You! by Joanna Mangona - an Old-School Hip Hop tune written for children
