

## Expressive Art and Design

- Make a butterfly feeder. Instructions here.  
[How to make a butterfly feeder](#)
- Make your own mini-beasts. What will you use e.g. kitchen roll, leaves, twigs, petals, paint, boxes, tissue paper, play dough etc.?

## Book Recommendations

The Very Hungry Caterpillar by Eric Carle  
[The Very Hungry Caterpillar](#)

The Very Busy Spider by Eric Carle

## The Great Mini-Beast Adventure

## Phonics

- Watch Twinkl live lessons: letter 's'  
[Phonics Lesson /s/](#)
- Read or listen to a rhyming story on YouTube. Can your child identify the rhyming words?

[This is the Bear and the Scary Night - Rhyming Story](#)

- Practise orally blending (putting the sounds together) and segmenting (saying the sounds) in cvc words e.g. c-a-t, b-a-g, h-a-t.

## Maths

- Draw a big ladybird and use it in lots of different ways:
- Hold up a number. Can your child finger paint or draw the right number of spots? Extend by splitting the lady bird in half. Can your child draw the right number of spots on each side and say how many spots they have altogether? Cross out spots or use counters to take some away. How many are left?
- Paint or draw a symmetrical butterfly.

## Literacy

- Draw a character from one of the stories e.g. The Very Hungry Caterpillar or The Very Busy Spider. You could have a go at copying or tracing the sentence 'I am the ...'
- Can you remember the stories and retell them in your own words. You could act out the story or draw pictures to help you to retell it. We have already learnt The Very Hungry Caterpillar, so see if you can remember this story.

## Understanding the World

- Go into the garden or go to a park to see if you can find any mini-beasts e.g. worms, ladybirds, spiders, tadpoles or frogs.
- Draw mini-beasts and find out facts about them on YouTube, Google search, in books etc.
- Find out about life-cycles of mini-beasts e.g. butterfly, ladybird, frog etc.
