## Phonics

Lesson 1:	Lesson 2:	Lesson 3:
<p>Lesson focus:</p> <p><a href="#">Apostrophes for contractions</a></p> <p>Share why an apostrophe is used for a contraction. Display the full words from the resource. Add any that you know your child can not write correctly. Get your child to write down the contractions in a list. Ask your child to look through their own writing for examples of apostrophes for contraction. They should correct them if not used correctly.</p>	<p>Lesson focus: <a href="#">Strategies for learning words: words from statutory and personal spelling lists</a></p> <p><a href="#">Statutory word list</a></p> <p>Choose five words from the statutory list. Discuss their meanings and how your child might remember them. Add some words from personal lists.</p> <p>Use one of the strategies already taught (children should remember from previous lessons) to learn them:</p> <ul style="list-style-type: none"> <li>• Pyramid words</li> <li>• Identifying tricky part of the word</li> <li>• Trace, copy, replicate</li> <li>• Look, say, cover, write, check</li> <li>• Drawing around the word to show the shape</li> <li>• Drawing a mnemonic around a word</li> </ul> <p>Children should then learn the words.</p>	<p>Lesson focus: <a href="#">Words from the statutory and personal spelling lists</a></p> <p><a href="#">Statutory word list</a></p> <p>Test your child on the words.</p> <p>Practice the misspelt words using the different strategies.</p>
