

Three Little Pigs week 4

what do you think is needed to build a strong house?

Consider different weather conditions-what would you need if you live in a windy climate? A hot climate? A snowy and cold climate?
Can you draw a house for each type of weather?

Research houses in hot and cold countries!

Follow up: use google earth to look at houses from around the world! https://www.google.co.uk/intl/en_uk/earth/

Look at the powerpoint presentation of different kinds of houses. Can you use lego/ building blocks or junk modelling to show the different types of houses?

Find out about homes from the past! Look at the powerpoint. Were they similar to the houses we live in today? What is the same? What is different?

Homes In The Past

At the end of the story of the three little pigs the wolf falls into the hot pot of stew/ soup

Can you think of a different ending for the wolf? What else might the three little pigs do to the wolf?

Write down your new idea in a sentence

All houses have a number. Can you find your house number out and write it down? Find out the numbers of your friend's and families houses too and write these numbers down. Practise number formation here: <https://www.youtube.com/watch?v=vjB5aSyWD6U>

Practise reading numbers and counting to 100!

https://www.youtube.com/watch?v=A_AVdpRY9Ew

House numbers on each side of the road go up in 2's, can you practise counting in 2's?

<https://www.youtube.com/watch?v=GvTcpfSnOMQ>

Numbers in this sequence are even numbers. Numbers which aren't even are odd.

Even and Odd Numbers

Even Numbers end in	Odd Numbers end in
0 2 4	1 3
6 8	5 7 9
Examples: 4, 56, 730	Examples: 9, 83, 641

Can you draw two rows of houses, one with odd numbers and one with even numbers?
