

SEED BALLS

You need

- . Lemon net
- . Margarine or butter
- . A few seeds/ peanuts or crumbled biscuits
- . String

This will be a tasty
snack for the birds.
YUMMY!!

Instructions

1. Melt the margarine or butter and knead it with peanuts/ seeds or crumbled biscuits.
2. Roll the mixture into a ball and keep them in the fridge to solidify.
3. When solid put the seed balls inside the lemon net.
4. Then tie a piece of string at the top of the lemon net and hang it on the tree branch.

TOILET ROLL

You need

- . Margarine or butter at room temperature
- . A few seeds/peanuts or crumbled biscuits
- . Toilet roll
- . Tray

Challenge

What type of bird has eaten from your bird feeder?

Instructions

1. Put the seeds or crumbled biscuits on the tray and spread it.
2. Get your toilet roll and rub margarine or butter onto it.
3. Roll the toilet roll along the tray with seeds/ crumbled biscuits on and make sure that all areas of the toilet roll are covered.
4. Insert your toilet roll feeder amongst the branches, shrubs or small trunks.
