

Dear Year 1,

We hope that you enjoyed last week's activities. We are learning about **Paws, Claws and Whiskers**. This week we would like you to find out about '**Camouflage**'. All activities and links can be found under **Year 1** on the school website.

**Please watch the following videos**

Nature's best camouflages - YouTube <https://www.youtube.com/watch?v=EJGtN-igCu8>

Camouflaged animals in the jungle - BBC Bitesize <https://www.bbc.co.uk/bitesize/clips/z7x76sq>

**Task 1 Science**

Research animals that use camouflage in the jungle. Carefully look at animals with distinct patterns e.g. leopard, zebra, tiger, snake etc. Discuss the patterns - what colours can you see? Can you see any shapes? Can you describe them? Can you explain why these animals have patterns?

**Task 2 DT**

Follow the instructions to make a lion mask or design and make a mask of your favourite jungle animal.

**Task 3 Art**

Create animal patterns and prints using different art materials. You can use objects found at home to create your animal prints e.g. fork, sponges, cotton buds, potatoes and finger paints.

## Handwriting

This week, we would like to you practise forming capital letters and joining letters together. Worksheets can be found in Year 1 under the handwriting section. Please practise handwriting daily.
