

EYFS Phase 4 Phonics

Morning Starter Activities

To the Teacher

These activities require no preparation, but children will need writing equipment for some activities.

Slides are editable as for some of the activities you may wish to change the wording. For example, depending upon whether parents are involved or children are working independently, if you wish an activity to be a talk activity or you would prefer children to record their answers.

Can you spot these consonant clusters in the story?

Frank put his hand into the rock pool and got a crab. He put it in his bucket. Next he got a shrimp. Then there was a big crash! It made Frank blink. He saw a mermaid sitting on a rock. She had a crown on. "Give me back my crab and my shrimp!" said the mermaid. Frank put the crab and the shrimp back in the pool. They sank down onto the sand. The crab and the shrimp crept to a rock. "Thank you," said the mermaid. Frank went home to look in his pond.
