

Homework at St Benedict's Primary Years 1- 6

Aims

- To understand why we do homework.
- To know what homework tasks are set and how parents can support.
- To give feedback on homework at St Benedict's Primary

Why do we do homework?

- Creates a link between home and school
- Gives children another opportunity to practise key skills and knowledge
- Reinforces the importance and love of learning
- Post-covid catch-up on lost learning

What homework tasks do we set?

- Reading for pleasure book
- Reading on Bug Club (Big Cat Phonics)
- TT Rockstars
- English task online
- Maths task online

The minimum expectation is to at least complete one piece of work each week for both English and Maths: at least TT Rockstars and Bug Club must be completed.

The ideal expectation is for children to complete all the tasks set.

How can parents help?

- Read everyday **to your child** and **with your child**
- Practise multiplication skills regularly
- Sit with your child as they complete homework
- Provide a quieter place to complete homework
- Provide a device to complete homework on

Feedback

- If you have difficulties accessing homework, please speak to the class teacher.
- Letters will be sent home to let you know if your child has not completed their homework.
- We welcome your feedback. Please fill in the short survey to let us know how you find homework.
