## Attendance Week

Welcome to the first edition of our school attendance newsletter, the purpose of these newsletters is to update you on your child's Class attendance and update you on events regarding attendance in school.

If your child cannot attend school due to illness or any other reason please contact school before 10am on the first day of absence, you must provide medical evidence and call for everyday of absence. We have updated our website with information on illnesses and school attendance, please familiarise yourselves with this information.

Please ensure you are getting to school on time, as late marks are recorded.

We will be monitoring attendance on a weekly basis, if you require any support with getting to school on time please contact the Pastoral Team. 0121 464 6420
