Updating contact details

Following the recent bad weather, please ensure that we have your up to date telephone numbers so that you are able to receive important updates from school and we are able to contact you in an emergency.

Please note that once school re-opens from a closure your child is expected to attend, failure to do so will result in receiving an unauthorised mark. This means school has not granted permission for leave and this will impact on your child's attendance. We look forward to working with you towards our 100% attendance goal in the new school term and also we are very excited to having our special visitor 'Attendance Hero' Visit us too.
