Geography	Exploring the Commonwealth
History	Queen Elizabeth II, Royal Family
Mathematics	SATs Preparation, position and movement
PE	Wartime games
PSHE	A Speech to the Commonwealth
Science	Inventions during the Queen's reign
RE	Living by rules

### Help your child prepare for their project

Talk to your children about Queen Elizabeth II. Research her coronation and investigate historical events during her reign. Learn about the countries in the Commonwealth and discuss how the Queen has helped in this country.

### Year 6's Notices

- SATs week will begin w.b. Monday 9<sup>th</sup> May. Ensure that your child is in school every day so they are able to take these important tests. The children have been practising a lot!
- There will be a SATs Breakfast Club held during the week of the 9<sup>th</sup> May. Starting at 8.00am, children can enjoy a healthy breakfast to help prepare them for their tests.
- Please make sure children are in school on time!

Remember to continue encouraging children to log in to their TT Rockstars account to practise their times tables.

Thank you for all your continued support.
