

Scrumdiddlyumptious!

Year 3's Curriculum Newsletter

We're going to enjoy a yummy journey of discovery, sampling fantastic fruits and tantalising treats!

This half term, we'll try different types of bread, and maybe even bake our own. In art and design, we'll look closely at fruits and vegetables and sketch what we can see. We'll follow recipes and learn about foods from around the world. Using fruits and vegetables, we'll make musical instruments and sculptures. We'll also learn about the fascinating discoveries made by the physicist James Lind.

ILP focus	Science
English	Non-chronological report about James Lind.
Science	Nutrition
D&T	Cooking
Art & design	Sculpture
Computing	Create an opinion poll
Geography	Food miles and fairtrade
History	Significant individuals – James Lind

RE	Eid Al Fitr, Wesak
Rights Respecting	Global Goal 3: Ensure healthy lives and promote well-being for all at all ages
PSHE/RHSE	Healthy Lifestyle

Help your child prepare for their project

This is a perfect opportunity to taste new foods and have a go at following recipes. Why not bake healthy muffins or prepare a slow cooker stew together? You could also sample adventurous foods from around the world. Alternatively, you could read the packaging of foods in your fridge to find out where they have come from.

Year 3's Notices

All Year 3 children have a login for Times Tables Rockstars. Please use the link provided to support and encourage your children to go online and practise their timetables.

Times Tables Rockstars: <http://trockstars.com/site/index>

All children should be completing homework on google classroom and reading books from Bug Club

Thank you for all your continued support.
