Headteacher: Mrs Armine Williams

Dear parents and carers,

At St Benedict's Primary we value learning, and work together with parents to support our children. As a Rights Respecting school, we promote Article 28, ***Every child has the right to an education.*** Therefore, homework is vital in enabling children to make progress and to support the link between home and school.

Our homework is available on the school website every week and children are expected to complete tasks weekly. If you have any difficulties with homework, please speak to your class teacher in the first instance. To support parents with homework further, we are offering a 'Homework Help-desk' at 2:30pm on Wednesdays with Mr Nadeem, our IT expert. He will be able to offer advice if you are struggling to access Google classroom, TT Rockstars or Bug Club.

There is a Parent Presentation on Homework for Y1 – 6 on Tuesday 1st November at 8:50am in the main hall. Please drop your children off to school as normal and then make your way to the School Office.

Yours sincerely,

Mrs Nott
