

Dinosaur Planet

Inclusion Hub Curriculum Newsletter

This term we will be developing your children's knowledge of prehistory. Children will learn about dinosaurs and fossils, and the amazing discoveries of palaeontologists, such as Mary Anning.

Linked text: Where the Wild Things Are – Maurice Sendak

ILP focus	History
English	Fact files; Poetry and riddles; Non-chronological reports; Narrative; Writing for different purposes
Mathematics	Number

D&T	Designing and making
Geography	Locating continents and oceans
PE	Games; Netball
PSHE	Sense enjoyment and fascination when learning about themselves, others and the world around them
Music	Percussion

Help your child prepare for their project

Work with grown-ups at home to research more amazing facts about the age of the dinosaurs. Take Dino the dinosaur home for a night and write in his diary about what he got up to! Watch the birds in your garden or local park. Look at them closely with binoculars. Do you think they walk like dinosaurs?

Inclusion Hub notices:

As the weather is now turning colder, please make sure your children bring in their coats, which should be clearly labelled.

Please remember to send your child in **P.E kit on Thursdays**. Your child should wear a red t-shirt underneath their normal school jumper, black jogging bottoms, shorts or leggings and black trainers/pumps.

Homework can be found Google classroom, times table practise on TT Rock stars and reading on Bug Club (all log ins have been sent home).

Remember to send a water bottle into school with your child.
